

Compressors & Cryogenics

INTRODUCTION

DIDWANIA ROUP

Compressors & Cryogenics

INDIA

CHINA

ITALY

USA

- 100% owned by the Didwania family
- Key products:
 - Reciprocating Gas Compressors
 - CNG Compressors
 - Hydraulic Boosters – Oxygen & Hydrogen
 - LNG & Cryogenic Pumps
- Globally recognized brand
- High technology business, serving large industries and research organizations
- Exports to over 60 countries
- Diversified product portfolio

GROUP COMPANIES

Indian Compressors Ltd.
Group Head Office

Ventos Compressors - CET Engineering srl

TS Italia srl

Xuzhou Auro Compressors Co. Ltd.

Knox Western (USA)

OUR HISTORY

Incorporated in 1943 as
Didwania Brothers Pvt Ltd,
by late Sh Girdhari Lalji Didwania

1958: Factory Inauguration by
Prime Minister Pandit Nehru

PRODUCTS OVERVIEW

RECIPROCATING GAS COMPRESSORS

TP Series

Discharge Pressures up to 7,800 PSIG

3", 3.5" & 4.5" Strokes

550 to 1,800 Continuous RPM

30 to 560 Horsepower

6,000 to 9,000 lb. Combined Rod Loads

Splash Lube Frame to 60 H.P.

Eagle Series

3", 3.5" & 4.5" Strokes

Discharge Pressures up to 7,200 PSIG

1,200 to 1,800 Continuous RPM

200 to 1,400 Horsepower

24,000 to 60,000 lb. Combined Rod Loads

Pump-to-Point, Progressive Lube or Non-Lube

Single to Eight Stage
1-3/4" to 18-1/2" Cylinders

OUR FOCUS ON GREEN ENERGY

- HYDROGEN
- SYNGAS
- AMMONIA
- BIOGAS
- CNG
- FLARE GASES
- LANDFILL GAS

SOFTWARE AND TECHNOLOGY

- Sophisticated, Proprietary Design Software
- Uses experiential database with thousands of applications to ensure an optimum solution including compressor and skid designs
- Rapid Engineer-To-Order capabilities for non-standard or emerging applications

The screenshots display the Knox Western Performance Software interface, which includes the following sections:

- General Tab:** Project Notes, Quote #/ID: Q#12345, Customer: Jon Doe, Inquiry Notes: Major Packager, Project Notes: CNG Units, Order Status Notes, Project Engineer: Open, Inquiry Date: Not Yet Specified, Application Type: Not Yet Specified, User Notes.
- Unit Performance (F10) Tab:** Unit Load: 191.18 HP, Flow: 1.7504 MMscfd, Torque: 38.24 %, Operating Issues.
- Unit Design Tab:** Design Points, Unit Sizing Results, Frame and Cylinder Selections.
- 3D Unit Render:** 3D rendering of the compressor unit.
- Stage Results:** Table showing Stage #1 and Stage #2 results for various parameters like Ps, Pd, Ts, Zs, etc.
- Unit Sizing Results:** Table showing estimated power required, suggested staging, and user fixed staging.
- Frame and Cylinder Selections:** Table showing frame and cylinder specifications, including Max Throws, Stroke, Rod Diameter, Maximum Load, Rated Speed, Minimum Speed, etc.

The Knox Western logo and contact information are also visible in the top right corner of the software interface.

HYDRAULICS BOOSTERS - CNG

CNG DAUGHTER STATIONS

1,500 compressors
operating globally

IOT – CONNECTED COMPRESSORS

- Integrated with CNG Boosters
- Remote health monitoring and compressor control
- Reduces downtime and improves compressor life

CRYOGENIC PUMPS

CRYOPUMP

Reciprocating Pumps

Centrifugal Pumps

LOX - LIN - LAR - CO2 - N2O - LNG - Ethylene

For Cylinder Filling, Transfer & Process Applications

CRYO-SCIENTIFIC EQUIPMENT

CRYOGENIC LIQUID TRANSFER SYSTEMS

TSV series superinsulated vacuum jacketed piping

CRYOGENIC SUB-COOLERS

LABORATORIES & BIO-BANKING WITH LN2

SUBMERGED CRYOGENIC PUMPS - LNG

TURNKEY FILLING STATIONS

tsCRYO
Smart Cryogenics

CRYOPUMP

OIL-FREE HYDRAULIC BOOSTERS – O₂ & H₂

Oxygen Boosters

Filling Oxygen from PSA Plants into cylinders.

Hydrogen Boosters up to 500 bar

DIAPHRAGM COMPRESSORS

CUSTOMIZED APPLICATIONS

FLUORINE

NITROGEN MONOXIDE

SILANE

PARTS AND SERVICE

Most spares parts are available in stock!

- Comprehensive maintenance contracts for over 600 compressors
- Over 150 service engineers and 1100 operators deployed for the above contracts
- We service all compressors globally

GLOBAL OPERATIONS

INDIAN COMPRESSORS LTD.

NEW DELHI, INDIA

- 2 manufacturing locations with total 120,000 sq ft area
- 450 employees
- Products manufactured:
 - CNG Compressors
 - Cryogenic & LNG Pumps
 - Diaphragm & Reciprocating Compressors

Factory in New Delhi

Factory in Greater Noida

XUZHOU AURO COMPRESSORSCO. LTD.

XUZHOU, CHINA

Main activities:

- Component manufacturing for pumps and compressors
- Manufacturing the CNG compressor skids
- In-house quality control of parts and components
- Manufacturing area of 50,000 sqft with 40+ fulltime employees

XUZHOU AURO COMPRESSORS CO.LTD.

XUZHOU, CHINA

KNOX WESTERN COMPRESSORS

ERIE, PA, USA

KNOX WESTERN COMPRESSORS

ERIE, PA, USA

CET ENGINEERING SRL PERUGIA, ITALY

TS ITALIA SRL MONZA, ITALY

GLOBAL SUPPLY CHAIN

- Strong and long-term supplier relationships
- Strong focus on quality and reliability

QUALITY CONTROL

- Proven safety track record since 40 years
- Component manufacturing outsourced
- Qualified, trained in-house teams for quality check of each part
- Full traceability records
- All compressors are tested prior to dispatch
- Highest standards for oxygen cleaning/ de-greasing
